The Importance of One

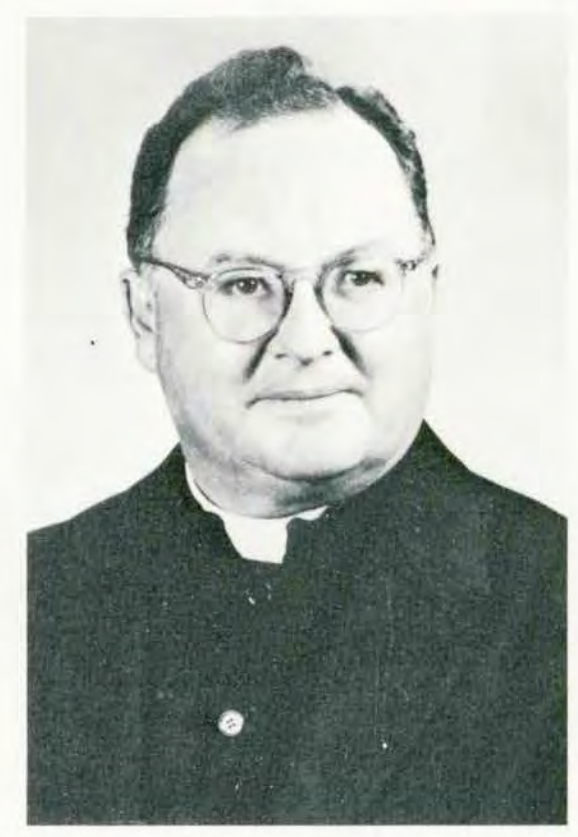

I am different
 Because all the words
 That have happened to me
 Since the day I was born
 Have been added together
 And the sum is
 ME.

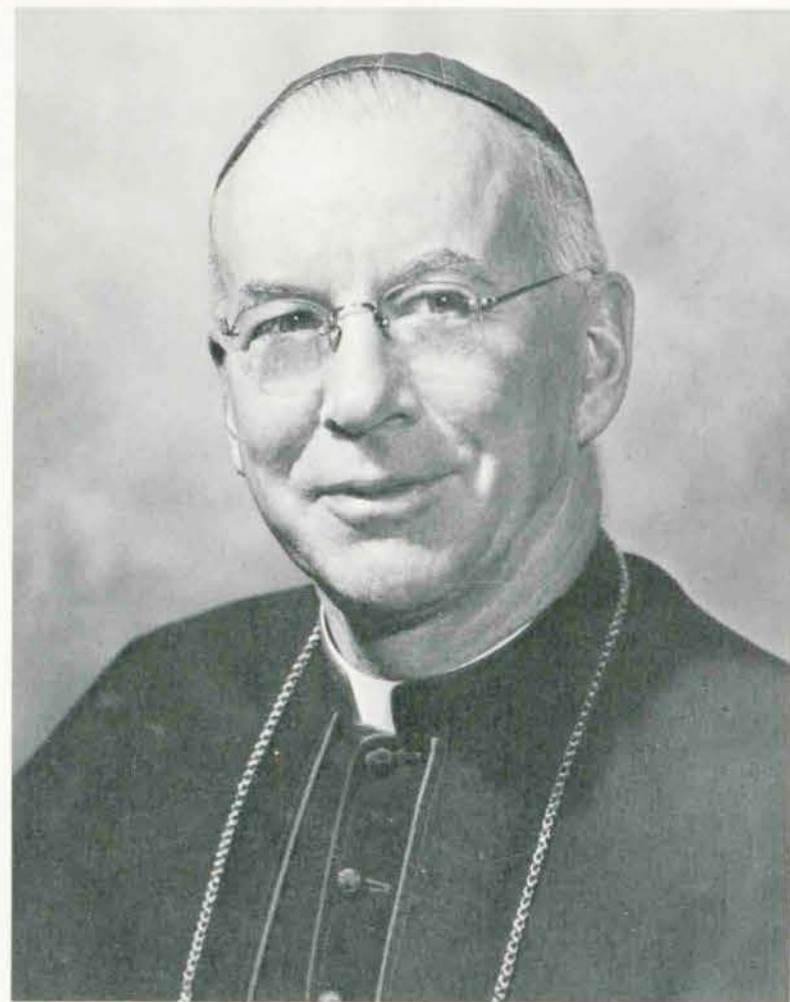

Dedication

Reverend Francis E. McDonough

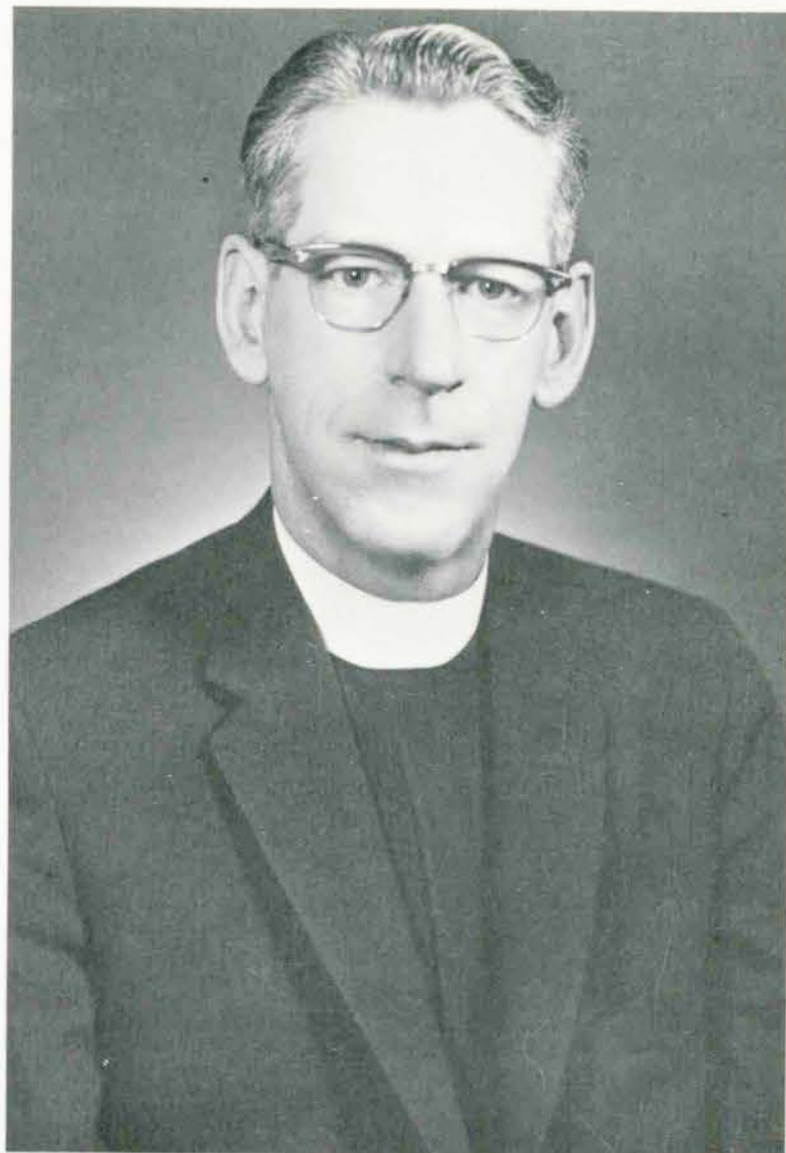

Father McDonough, you have been a true friend to us. You have overlooked our carelessness, our forgetfulness, and our inconsideration. You have made us look within ourselves and laugh; you have pushed us farther along the road to Christian maturity. Your calm resolution and your perspective of life have taken away our anger and substituted understanding. How can we say thank you to a man who has done all this? We could have offered you a gift, presented you with money, but that is too meaningless for you. Instead, we chose to work many long hours to produce this yearbook for you. The 1968 Mount is only the tangible embodiment of the intangible — our admiration. Therefore, we dedicate our yearbook, which is so all-important in our senior year, to you, "our Father Mac."

THE MOST REVEREND ROBERT F. JOYCE,
Bishop of Burlington.

School Board and Superintendent Shape School Policies.

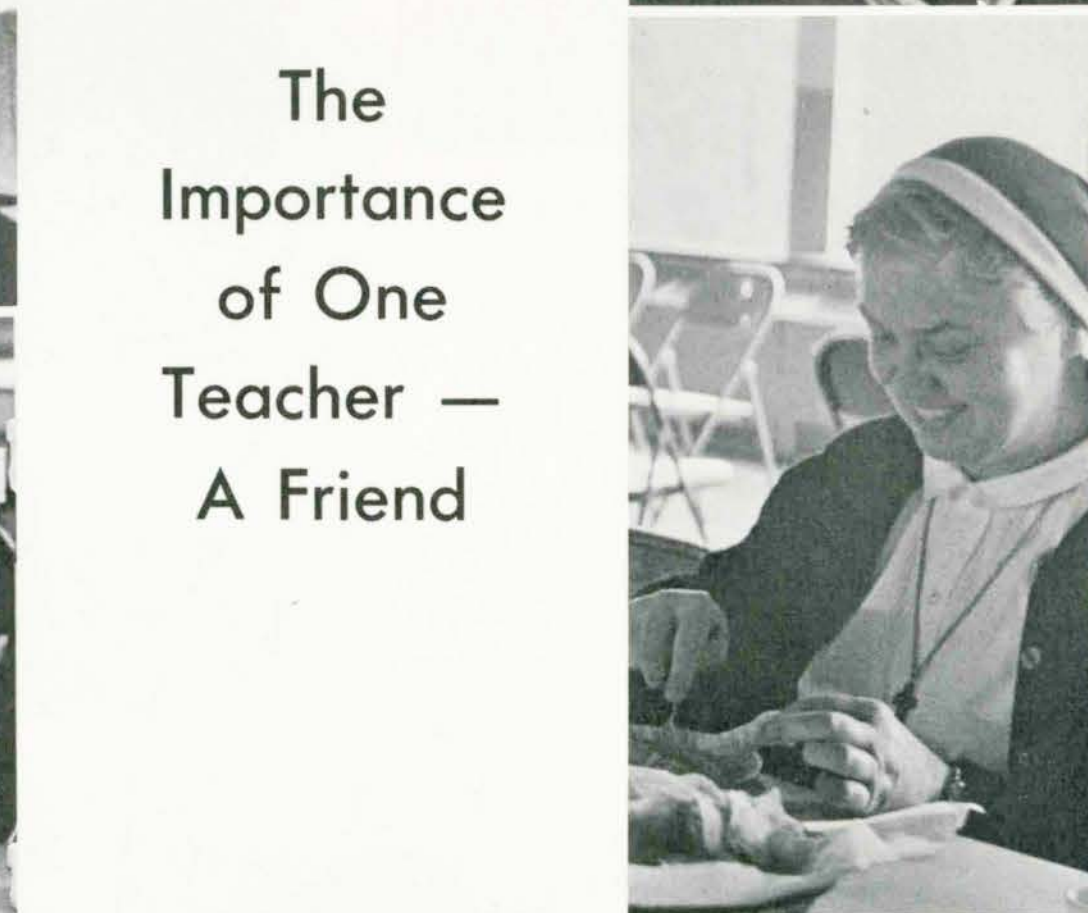

The Very Reverend Monsignor John A. Lynch, Diocesan Superintendent of
Schools.

The Importance of One Teacher — A Friend

Principal

TO THE CLASS OF '68:

"Committment!" "Involvement!" "Dedication!"

— Bywords of the "now" generation.

These ambitions are a credit to you, and we at MSJ hope that the Christian attitudes, education, and motivation provided at the Academy have helped to ignite these aspirations which have so much potential for influencing your own lives and the world around you.

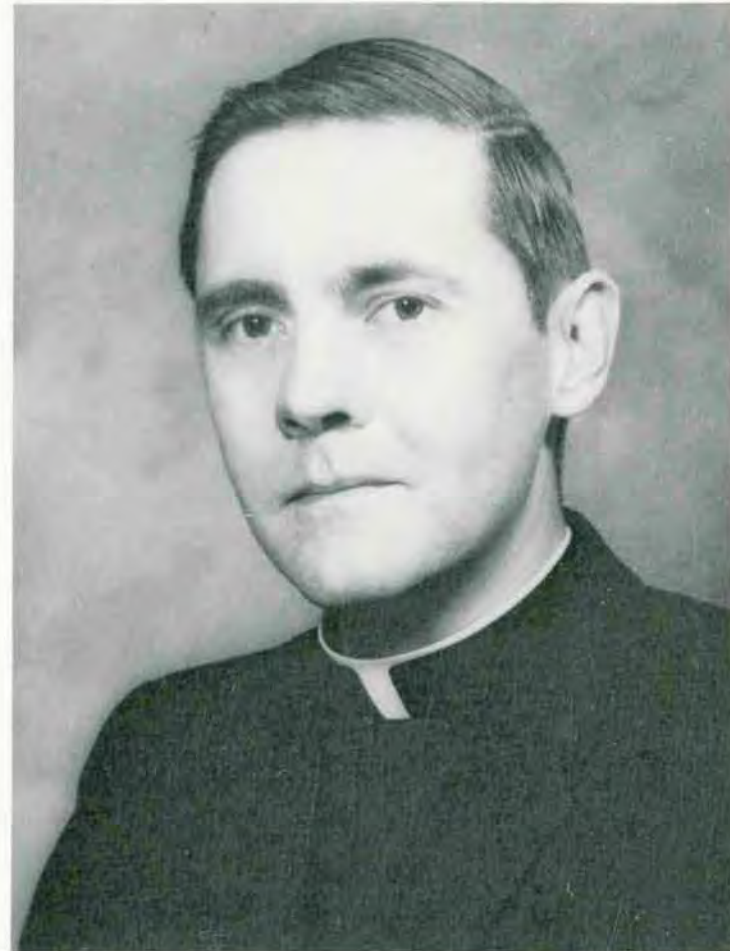

Be committed, be involved, be dedicated! With God's blessing "reach for a star." Our greatest satisfaction will be your determination to attain it, without counting the cost, measuring the distance, or seeking reward.

Sincerely,

Fr. O'Connell

Father O'Connell

MSJ's dedicated and efficient principal — FATHER JOHN O'CONNELL

FATHER RAYMOND LAMBERT — Guidance Counselor and Assistant Principal

FATHER FRANCIS KANE — Guidance Counselor

Guidance Department

The MSJ Guidance Department attempts to aid students in making personal, vocational, and educational choices. It is this department's utmost belief that a decision should be made entirely by the student with the Guidance Department serving only as a stepping-stone.

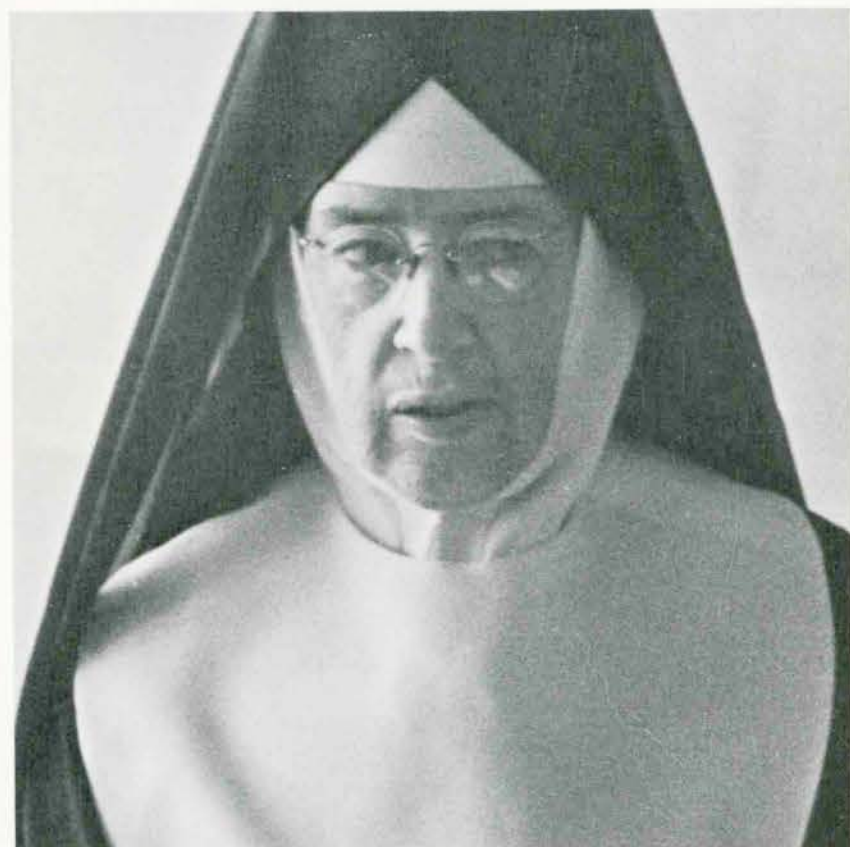

With this thought in mind, MSJ has two full-time guidance counselors — Father Lambert and Father Kane. Both of these men live at MSJ and are well known by all for their concern and interest for each student.

SISTER JAMES BERNARD

Math Department

To be able to think in logical patterns and to make a veritable deduction are important steps in a student's education. The Math Department challenges the pupil to give his best in study methods and to achieve a proper understanding of mathematical procedures.

SISTER AGNES MARIE

MR. EDMUND BOYCE

SISTER MIRIAM TERESA

Science Department

The inquiring mind is of extreme importance, and no department of the school realizes this more than the Science Department. The inquiring mind is encouraged and aided in its growth and development by the laboratory facilities, challenging courses, and competent teachers.

SISTER MARY MARGARET — Chemistry

SISTER STEPHEN MARIE — Earth Science, Biology

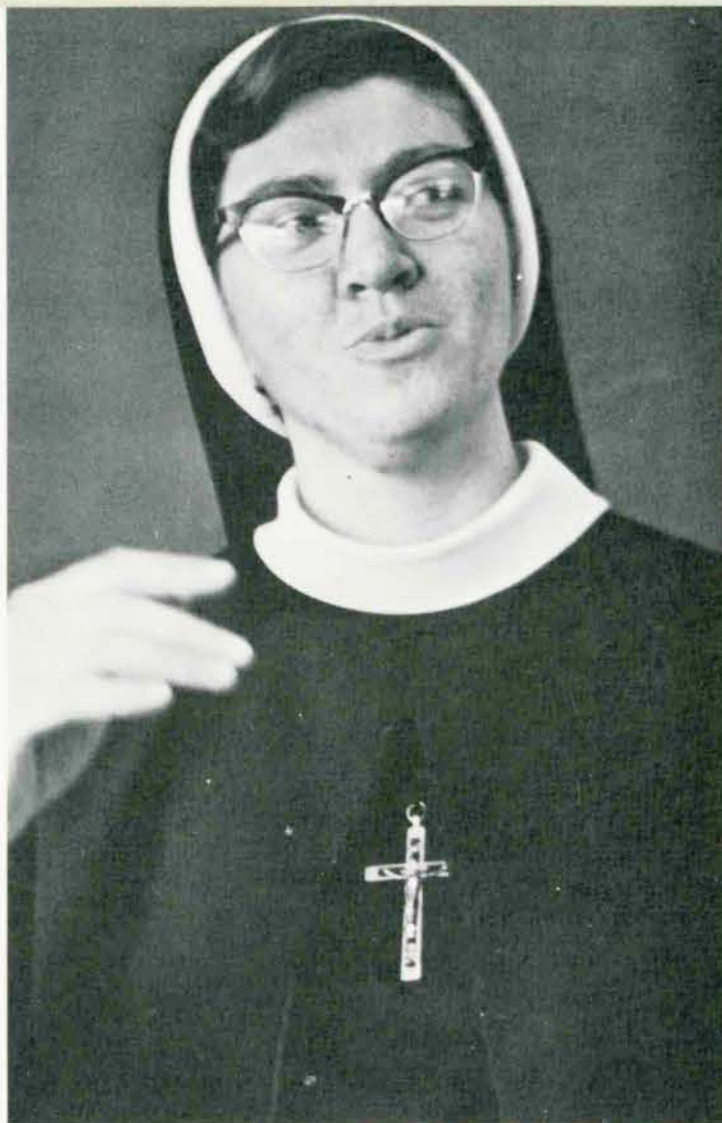

SISTER JOHN PAUL — Chemistry

SISTER KATHLEEN — Biology

SISTER HELENA — Biology, Physical Science

SISTER MARY MARTIN

English Department

"Perhaps of all the creations of man, language is the most astonishing." The English Department aims at cultivating this creation within each student, so that he may better communicate with and understand the world in which he lives.

The MSJ English teachers believe that communication is a two-way process; they teach the receiving of ideas through listening and reading and the sending of ideas through speaking and writing.

SISTER MAUREEN JOSEPH

MR. JAMES COUGHLIN

SISTER CARL JOSEPH

SISTER CLEMENTINE

SISTER CHRISTOPHER

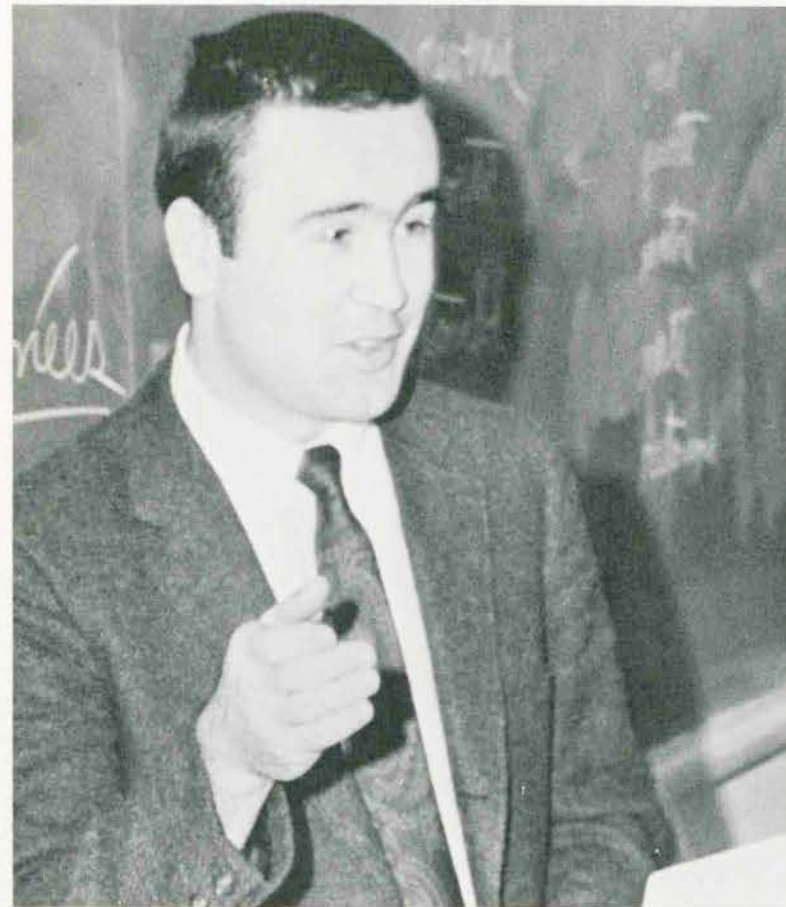

MR. WALTER MOORE

Language Department

Much of our difficulty with people in other countries stems from the fact that so little is known about cross-cultural communication. Because of this lack, much of the good will and great effort of this nation has been wasted in its overseas programs.

Through courses in French, Spanish, and Latin, MSJ students take the first step towards peace — an understanding of other cultures.

MR. JAMES KELLEY — French

SISTER FRANCIS DE SALES — Spanish

SISTER MADONNA THERESE — French

SISTER JANE FRANCES — Latin

SISTER PAUL JOSEPH

SISTER AGNES MILDRED

SISTER CORNELIUS

SISTER CHRISTINE

Business Department

Vocational training for the business field is offered in the Commercial Department curriculum. Besides supplying unlimited opportunity for the student planning to pursue a career in business, commercial courses offer specialized subjects, such as typing and shorthand, which aid in improving study habits.

MR. WILLIAM EATON

SISTER SAINT CATHERINE

Religion Department

Our religion faculty has shown that religion is not merely an abundance of laws and commandments to be learned and obeyed, but rather that it is a combination of all the aesthetical as well as concrete aspects of life.

This year has brought change to the religion department. The offering of new courses and the alteration of the marking system from numerical grades to satisfactory or unsatisfactory have produced an atmosphere conducive to the learning of modern religion.

History Department

An understanding of the past provides us with the key to the future. With this thought in mind, the History Department sets its goal.

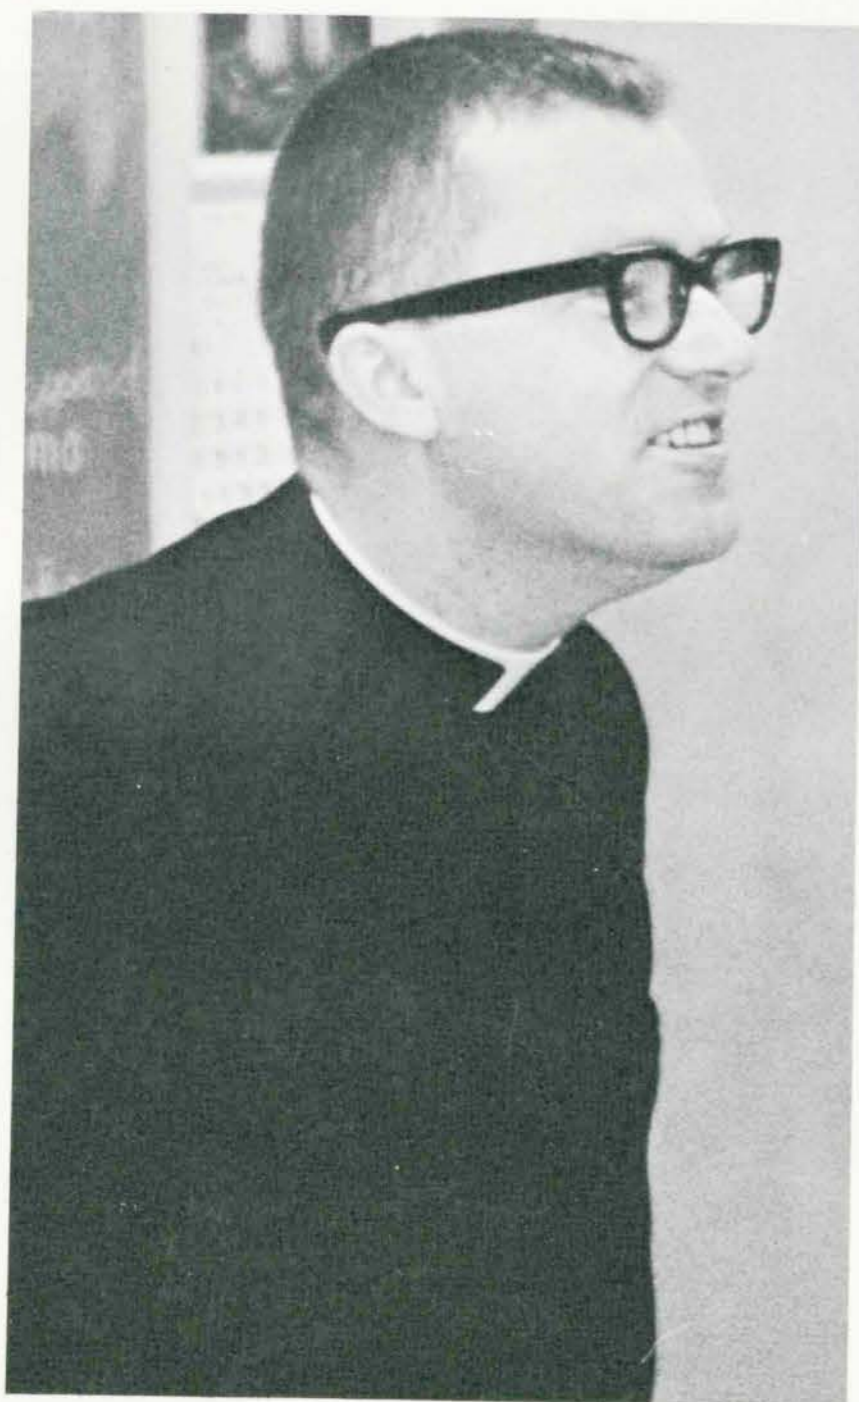

Communism, Sociology, Economics, Government, and Contemporary Problems, as well as the histories, provide the student with the material essential to understanding government and people.

Drama — Artistic Portrayal of Life

This year drama has become an important medium for communication in school life. It has gone beyond the more conventional form, i.e., intramural plays, and has taken on new flavor with the revived senior three-act play.

Drama has spread from the stage into the classroom where teachers and students have made effective use of it as a teaching tool.

Perhaps the effectiveness of it can be measured in the quality of the productions pictured here.

Through determination and true team effort, the MSJ Basketball Team captured a tie for second place in Southern Vermont League play. The fine ball handling of Tom Champine and accurate shooting of Buddy McGinnis contributed greatly toward the Mounties' 13-6 record.

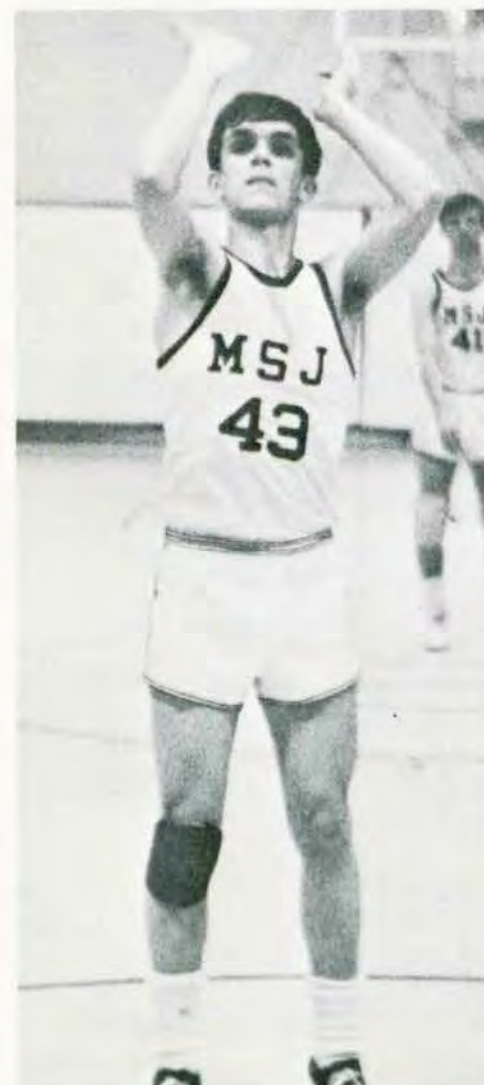

After suffering two mid-season defeats to Rutland and Springfield, the Mounties came back with five straight wins, climaxed by a final triumph over Mt. Anthony.

Yet despite this fine performance, the team was disqualified from the tournament because of a late application filing.

Boys and Girls States

GIRLS STATE. BOTTOM ROW: Cynthia Wierzbicki, Linda Fredette, Kathy Champine. SECOND ROW: Cheryl Mazzariello, Margaret Riter.

Each summer the American Legion sponsors Boys and Girls State where students from Vermont learn the principles of government. The program lasts for a week with boys at Norwich University in Northfield and girls at Vermont College in Montpelier. Each group forms its government beginning on the "town" level and proceeding to the "state" level by staging elections and holding campaigns. In addition to governmental activities and intertown athletics, a final Girls State — Boys State dance is held.

Jack Candon of MSJ was chosen as one of Vermont's two delegates to Boys Nation held at the University of Maryland and Washington D.C. later in the summer.

The Mount Saint Joseph delegation was further honored by the election of Danny Foley as lieutenant governor, the nomination of John Burke to the Town Hall of Fame, and the awarding of a Middlebury College scholarship to Dan Carrillo.

Elks Youth Day and Scholarships. ROW ONE: Richard Marfuggi, Anna Cassarino, Carol Clarino, Michael Carroll; ROW TWO: Jack Dow, Linda Wilk, Tony Merchand, Dan Foley, Dan Carrillo.
